

## INTRODUCTION

**Tiger Steel Bangladesh Ltd. (TSBL)** incorporated in Bangladesh response to the increasing demand for quality Pre-Engineered Steel Building especially in the industrial sector.

## INTRODUCTION

TSBL have own manufacturing unit in Kachina, Bhaluka, Mymensing which is consisting of state-of-art-technology machineries. We committed to supply highly maintained quality products by smooth manufacturing facilities in our factory. We are ready with best setup with both **HR & CR** unit. **Automatic Flame Cutting CNC Machine, Hydraulic Assembly Machine, Dual Column Gantry Welding, SAW Welding Cart and Hydraulic Straightening machine** will be ensure the perfect qualified production for your Steel Structure Building.

Customer satisfaction, trouble free construction, accurate fit of components are priorities of TSBL regardless of the complexity of the project, thus resulting in reduced on-site erection cost in terms of time and money.
